## 1. Team

Beirut relief is a group of Lebanese and Palestinian students, from multiple Lebanese Districts and regions, who are trying to help rebuild destroyed homes in Beirut after the 4<sup>th</sup> of August explosion.

## 2. Strategy

### *a. Collection of Donations:*

- Each member of the team collected donations from his/her area.
- Using the following gofund me link: <https://gf.me/u/ynxsjq>

### *b. Evaluation of damages*

- Abou Mahmoud and his team was the one responsible for all types of restoration needed.
- Two team members were responsible of visiting the destroyed houses with Abu Mahmoud, evaluating the damages, and agreeing with the owners of the house on the things that need to be done and the work timeline.

## 3. Previous Work

- We helped rebuilding three houses before the one we're writing about in this report.  
Pictures and videos can be found on our Instagram account: @beirutrelieff.
- Our work included: fixing windows and roofs, restoring walls and doors...
